PENNSYLVANIA

## TIRE RECYCLING

\$50 MILLION PRIVATE EQUITY OWNED

### ENGAGEMENT

- Evaluated medical funding mechanism.
- Sourced broker RFP.
- Enacted alternative non-traditional approach to achieve necessary savings.

### RESULTS

- Check 173 evaluated risk tolerance of firm, and discovered that traditional self-funding was not viable.
- Instead, an alternative value-based plan design, independent of a national carrier, which coupled with a highly effective external Rx solution, achieved optimal results.

ESTIMATED **\$1.9M** IN FIRST YEAR  
SAVINGS FROM INITIAL  
SELF-FUNDED ASO PROJECTION
